

Benelux

Declaration

I, Ivo Van Remoortere, administrator at TÜV SÜD of the certification process of the company **Hertecant Flanges NV**, located at Lossing 22, BE – 2260 Westerlo, **Belgium**, attest that the plant is in progress of the re-certification process following the Directive 2014/68/EU annex I § 4.3 and also the re-certification process for the AD 2000-W0 standard with the Notified Body TÜV SÜD Industrie Service GmbH, Westendstr. 199, D-80686 München.

The continuation of the validity is covered by this declaration. After that the documentation has been finalized and the corrective actions have been taken by the company, the Notified Body will be informed positively. Afterwards the certificates for AD2000-W0 and PED 2014/68/EU will be issued by the Notified Body.

Boortmeerbeek, the 23/10/2023

Dipl. Ing. I. Van Remoortere
